

**CURRICULUM VITAE of
Suman Chandra Paul**

MAILING ADDRESS

Assistant professor
Department of Mathematics
Bangabandhu Shiekh Mujibur Rahman Science and Technology University
Gopalganj, Bangladesh
Phone: +8801755337252 (mobile)
E-mail: sumonpaul30@gmail.com

University Education

2010 (awarded 2012) Master of Science (with thesis in General Topology and its application) ,
Department of Mathematics, University of Rajshahi, Bangladesh
Result: GPA-4.0(out of 4.0)

2009 (awarded 2010) Bachelor of Science (Honours), Department of Mathematics, University
of Rajshahi, Bangladesh
Result: GPA-3.92(out of 4.0) Science Faculty First.

Award for Academic Result:

1. Prime minister gold medal in 2010(For Science Faculty First in B.Sc.(Honours) result)
2. F. Mujibur Rahman foundation gold medal
3. Agrani Bank Gold Medal
4. Professor Arun Kumar Basak Award

Professional Experience:

Teaching and Research

Teaching

Teaching: More than 4 years teaching experience in the Department of Mathematics at
University of Rajshahi (both in undergraduate and postgraduate level with research)

Assistant Professor: 01-12-2017 to till date

Lecturer: 31-08-2014 to 30-11-2017

Duties and Responsibilities:

1. Teaching in both undergraduate and postgraduate level
2. Setter and moderator of the question
3. Script evaluation
4. Conduction of exam committee
5. Member of exam committee
6. Member of academic committee
7. Field trip supervision
8. Thesis supervision
9. Individual Research
10. Research project supervision
11. Advisor of sports and cultural society of the department

Departmental responsibilities

Generally teach

General Topology, Abstract Algebra, Fuzzy Topology, Algebraic Topology, Real Analysis, Advanced Calculus, Higher Algebra & Trigonometry, Lattice Theory, Rings & Modules, Set theory and Matrix Algebra, MATLAB Programing .

Research Involvements:

Present Research affiliation

1. Decision Analysis for Earthquake Predictions Methodologies: Fuzzy Inference Algorithm for Trust Validation.
2. Practical use for Algebraic topology.

Research Supervision:

Project supervision (undergraduate level)

1. Relation between Normal Sub-group and Topological Spaces.
2. Calling Circuit Minimization by using Boolean Algebra.

Publications:

Journal Articles

1. Suman Chandra Paul, Md Shohel Rana, Saiful Islam, Md. Habibul Bashar(2019). Establishment The Relation Between Topological Space And Normal Sub-Group And Continuous Function For Topological Sense And Metrical Sense.

**BANGABANDHU SHIKH MUJIBUR RAHMAN SCIENCE AND TECHNOLOGY UNIVERSITY
GOPALGANJ, BANGLADESH**

Personal Details

Father's Name : Birendra Nath Paul
Mother's Name : Chandana Rani
Date of Birth : November 10, 1986
Gender : Male
Marital Status : Married
Nationality : Bangladeshi
Religion : Hindu
Permanent Address : Suman Chandra Paul, Village: Jamalpur(pal para), post Office: Dadra,
Thana: Joypurhat Sadar, District: Joypurhat, Country: Bangladesh.
Present Address : Assistant Professor, Department of Mathematics, Bangabandhu Shiekh
Mujibur Rahman Science and Technology University
Gopalganj, Bangladesh.
