Subject: Welcome to JSTOR - Bangabandhu Sheikh Mujibur Rahman Science & Technology University

Dear Mr. Md. Nasirul Islam,

We are very pleased to welcome your institution as a JSTOR participant. You and your users can now access JSTOR content by going directly to <http://www.jstor.org> and selecting Search or Browse from the menu bar.

Your institutions access has been activated at the following ip /IPs:

103.28.120.70/30

Kindly confirm access on JSTOR@globepub.com If we do not receive a confirmation within 7 days the same will be considered as a confirmation.

Please find attached [here](#) a link to getting started with Marc Records as well as a [link](#) to the KBART File title list. I've also included a link [here](#) to a LibGuide that will help institutions get started with JSTOR.

JSTOR can be accessed remotely through the below access methods:

1. Proxy server — allows users to authenticate through a portal or single-sign on method.
2. SAML authentication — JSTOR currently supports SAML authentication through either Shibboleth or OpenAthens. To read more about what is needed for SAML authentication and which federations we belong to, please visit our [SAML support page](#).
3. Google SSO — JSTOR supports access through Google Social Sign On. We need is a unique domain for your institution to get it setup. To read more about Google SSO, please visit our [Access Management Overview](#) page.

You can read about these and other [remote access options](#) on the support site.

Feel free to contact in case of any queries.

Regards
